MATURITAS
JOURNAL OF THE CLIMACTERIC & POSTMENOPAUSE

Subject index

Volume 19 (1994)

Age at menopause; Menopause; Climacteric; Symptom prevalence; Symptom frequency; Consultation **19**, 157

Ageing facial skin; Premarin cream; Placebo cream; Oestrogen **19**, 211

Alcohol; Menopause; Risk factors; Smoking; Meat consumption; Parity **19**, 83

Apolipoproteins; Conjugated estrogens; Medrogestone; Lipids; Lipoproteins; Atherogenic indexes **19**, 33

Atherogenic indiecs; Conjugated estrogens; Medrogestone; Lipids; Lipoproteins; Apolipoproteins **19**, 33

Awareness; Climacteric; Consultation; Hormone replacement therapy; Reported use **19**, 1

Bleeding pattern; Micronized progesterone; Endometrial morphology; Mitotic activity **19**, 103

Bleeding pattern; Sequential oestrogen/progestogen; Climacteric symptoms **19**, 225

Bone density; Oral contraceptives; Premenopause; Oligomenorrhea; Osteoporosis **19**, 125

Bone mass; Hormone replacement; Low dose; Moderate dose; Lipids; Lipoproteins **19**, 13

Bone mineral density; Menopause; Osteoporosis; Hip fractures **19**, 117

Breast; Tenderness; HRT **19**, 97

Breast cancer risk; Insulin-like growth factor I; Sex hormone binding globulin; Hormone replacement treatment; Progestogens **19**, 25

Brush; Endometrium; Cancer; Cytological assessment; Hysteroscopic assessment; Outpatient evaluation; Climacterium **19**, 67

Cancer; Endometrium; Brush; Cytological assessment; Hysteroscopic assessment; Outpatient evaluation; Climacterium **19**, 67

Chinese women; Climacteric symptoms; Menopause **19**, 177

Climacteric; Consultation; Awareness; Hormone replacement therapy; Reported use **19**, 1

Climacteric; Menopause; Symptom prevalence; Symptom frequency; Consultation; Age at menopause **19**, 157

Climacteric symptoms; Menopause; Chinese women **19**, 177

Climacteric symptoms; Sequential oestrogen/progestogen; Bleeding pattern **19**, 225

Climacterium; Endometrium; Brush; Cancer; Cytological assessment; Hysteroscopic assessment; Outpatient evaluation **19**, 67

Conjugated estrogens; Medrogestone; Lipids; Lipoproteins; Apolipoproteins; Atherogenic indexes **19**, 33

Consultation; Climacteric; Awareness; Hormone replacement therapy; Reported use **19**, 1

Consultation; Menopause; Climacteric; Symptom prevalence; Symptom frequency; Age at menopause **19**, 157

Cytological assessment; Endometrium; Brush; Cancer; Hysteroscopic assessment; Outpatient evaluation; Climacterium **19**, 67

Diagnosis; Hospital records; Trends; Epidemiology; Genital diseases; Hysterectomy **19**, 141

Endometrial cancer; Menopause; Progesterone challenge test **19**, 53

Endometrial morphology; Micronized progesterone; Bleeding pattern; Mitotic activity **19**, 103

Endometrium; Brush; Cancer; Cytological assessment; Hysteroscopic assessment; Outpatient evaluation; Climacterium **19**, 67

Endometrium; Menopause; Hormone replacement therapy; Transvaginal ultrasonography **19**, 59

Epidemiology; Hospital records; Trends; Diagnosis; Genital diseases; Hysterectomy **19**, 141

Genital diseases; Hospital records; Trends; Epidemiology; Diagnosis; Hysterectomy **19**, 141

Hip fractures; Bone mineral density; Menopause; Osteoporosis **19**, 117

Hormone replacement; Low dose; Moderate dose; Bone mass; Lipids; Lipoproteins **19**, 13

Hormone replacement therapy; Climacteric; Consultation; Awareness; Reported use **19**, 1

Hormone replacement therapy; Menopause; Endometrium; Transvaginal ultrasonography **19**, 59

Hormone replacement therapy; Selection bias; Screening mammograms **19**, 93

Hormone replacement treatment; Insulin-like growth factor I; Sex hormone binding globulin; Progestogens; Breast cancer risk **19**, 25

Hospital records; Trends; Epidemiology; Diagnosis; Genital diseases; Hysterectomy **19**, 141

HRT; Breast; Tenderness **19**, 97

Hysterectomy; Hospital records; Trends; Epidemiology; Diagnosis; Genital diseases **19**, 141

Hysteroscopic assessment; Endometrium; Brush; Cancer; Cytological assessment; Outpatient evaluation; Climacterium **19**, 67

Indonesia; Perimenopause **19**, 191

Insulin-like growth factor I; Sex hormone binding globulin; Hormone replacement treatment; Progestogens; Breast cancer risk **19**, 25

Lipids; Conjugated estrogens; Medrogestone; Lipoproteins; Apolipoproteins; Atherogenic indexes **19**, 33

Lipids; Hormone replacement; Low dose; Moderate dose; Bone mass; Lipoproteins **19**, 13

Lipoproteins; Conjugated estrogens; Medrogestone; Lipids; Apolipoproteins; Atherogenic indexes **19**, 33

Lipoproteins; Hormone replacement; Low dose; Moderate dose; Bone mass; Lipids **19**, 13

Low dose; Hormone replacement; Moderate dose; Bone mass; Lipids; Lipoproteins **19**, 13

Malaysia; Symptoms; Menopause **19**, 205

Meat consumption; Menopause; Risk factors; Smoking; Alcohol; Parity **19**, 83

Medrogestone; Conjugated estrogens; Lipids; Lipoproteins; Apolipoproteins; Atherogenic indexes **19**, 33

Menopause; Bone mineral density; Osteoporosis; Hip fractures **19**, 117

Menopause; Climacteric symptoms; Chinese women **19**, 177

Menopause; Climacteric; Symptom prevalence; Symptom frequency; Consultation; Age at menopause **19**, 157

Menopause; Endometrium; Hormone replacement therapy; Transvaginal ultrasonography **19**, 59

Menopause; Progesterone challenge test; Endometrial cancer **19**, 53

Menopause; Risk factors; Smoking; Alcohol; Meat consumption; Parity **19**, 83

Menopause; Symptoms; Malaysia **19**, 205

Menopause; Symptoms; Phillipines **19**, 183

Menopause; Transdermal estradiol; Osteoporosis **19**, 133

Micronized progesterone; Bleeding pattern; Endometrial morphology; Mitotic activity **19**, 103

Mitotic activity; Micronized progesterone; Bleeding pattern; Endometrial morphology **19**, 103

Moderate dose; Hormone replacement; Low dose; Bone mass; Lipids; Lipoproteins **19**, 13

Nasal mucosa metabolism; Nasal spray administration; Progesterone; Serum levels **19**, 43

Nasal spray administration; Progesterone; Nasal mucosa metabolism; Serum levels **19**, 43

Oestrogen; Premarin cream; Placebo cream; Ageing facial skin **19**, 211

Oligomenorrhea; Bone density; Oral contraceptives; Premenopause; Osteoporosis **19**, 125

Oral contraceptives; Bone density; Premenopause; Oligomenorrhea; Osteoporosis **19**, 125

Osteoporosis; Bone density; Oral contraceptives; Premenopause; Oligomenorrhea **19**, 125

Osteoporosis; Bone mineral density; Menopause; Hip fractures **19**, 117

Osteoporosis; Transdermal estradiol; Menopause **19**, 133

Outpatient evaluation; Endometrium; Brush; Cancer; Cytological assessment; Hysteroscopic assessment; Climacterium **19**, 67

Parity; Menopause; Risk factors; Smoking; Alcohol; Meat consumption **19**, 83

Perimenopause; Indonesia **19**, 191

Perimenopause; Symptoms; Singapore **19**, 199

Phillipines; Symptoms; Menopause **19**, 183

Placebo cream; Premarin cream; Ageing facial skin; Oestrogen **19**, 211

Premarin cream; Placebo cream; Ageing facial skin; Oestrogen **19**, 211

Premenopause; Bone density; Oral contraceptives; Oligomenorrhea; Osteoporosis **19**, 125

Progesterone; Nasal spray administration; Nasal mucosa metabolism; Serum levels **19**, 43

Progesterone challenge test; Menopause; Endometrial cancer **19**, 53

Progestogens; Insulin-like growth factor I; Sex hormone binding globulin; Hormone replacement treatment; Breast cancer risk **19**, 25

Reported use; Climacteric; Consultation; Awareness; Hormone replacement therapy **19**, 1

Risk factors; Menopause; Smoking; Alcohol; Meat consumption; Parity **19**, 83

Screening mammograms; Hormone replacement therapy; Selection bias **19**, 93

Selection bias; Hormone replacement therapy; Screening mammograms **19**, 93

Sequential oestrogen/progestogen; Bleeding pattern; Climacteric symptoms **19**, 225

Serum levels; Nasal spray administration; Progesterone; Nasal mucosa metabolism **19**, 43

Sex hormone binding globulin; Insulin-like growth factor I; Hormone replacement treatment; Progestogens; Breast cancer risk **19**, 25

Singapore; Symptoms; Perimenopause **19**, 199

Smoking; Menopause; Risk factors; Alcohol; Meat consumption; Parity **19**, 83

Symptom frequency; Menopause; Climacteric; Symptom prevalence; Consultation; Age at menopause **19**, 157

Symptom prevalence; Menopause; Climacteric; Symptom frequency; Consultation; Age at menopause **19**, 157

Symptoms; Menopause; Malaysia **19**, 205

Symptoms; Menopause; Phillipines **19**, 183

Symptoms; Perimenopause; Singapore **19**, 199

Tenderness; Breast; HRT **19**, 97

Transdermal estradiol; Menopause; Osteoporosis **19**, 133

Transvaginal ultrasonography; Menopause; Endometrium; Hormone replacement therapy **19**, 59

Trends; Hospital records; Epidemiology; Diagnosis; Genital diseases; Hysterectomy **19**, 141
